

PRESS RELEASE

Garan Lucow Miller, P.C., title sponsor of the Cherry-Roubaix bicycle race in Traverse City, Michigan, is pleased to announce that Cherry-Roubaix will host the Michigan State Road Race Championship in 2011 and 2012.

Cherry-Roubaix is actually a series of bicycle races, taking place over a three day period. The first day is devoted to a sprints competition in downtown Traverse City; the second day to criterium races, also in downtown Traverse City; and the third day is dedicated to a road race, which in 2011 and 2012 will crown the Michigan State Champion. The 2011 races are scheduled to take place on August 12, 13 and 14, 2011, and will also kick off Traverse City's annual Third Coast Bicycle Festival and a charity ride benefitting the Munson Healthcare Women's Cancer Fund.

"We're very excited at the opportunity to do this for the community," says Peter Worden, a senior partner with Garan Lucow Miller, P.C. who works out of the Firm's Traverse City office and oversees its involvement in the Cherry-Roubaix race. "This event brings a lot of people to town and brings business to the area hotels, shops and restaurants. And being involved in a state-wide event really gives us a chance to showcase our regional presence as a law firm, with offices throughout the state and now in Indiana."
